

Bridgeport-Spaulling Community Schools

2015-2016 Annual Education Report

Carol Selby, Superintendent

March 8, 2017

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2015-16 educational progress for the Bridgeport-Spaulling Community School District and our schools. The AER addresses the complex reporting information required by federal and some requirements of state laws. Our staff is available to help you understand this information. Please contact the Bridgeport Board of Education Office for help if you need assistance.

The DISTRICT AER is available for you to review electronically by visiting the following web site <http://www.bsccs.k12.mi.us>, or you may review a copy in the main office at your child's school. Each school will also be communicating their own AER to parents directly.

These reports contain the following information:

Student Assessment Data – Includes the following three assessments: M-STEP (Michigan Student Test of Educational Progress), MI-Access (Alternate Assessment), and College Board SAT. Presents assessment information for English language arts and mathematics for grades 3 to 8 and 11, and science for grades 4, 7, and 11, compared to state averages for all students as well as subgroups of students. The report helps users to understand achievement performance within grades and schools, and to make comparisons to district, state, and national achievement benchmarks.

Accountability Scorecard – Detail Data and Status

The accountability portion of the AER includes assessment proficiency and participation rates, graduation or attendance rates, as well as accountability scorecard status.

Teacher Qualification Data

- Identifies teacher qualifications at district and school levels
- Reports percentage of core academic classes taught by teachers not considered highly qualified to teach such classes

NAEP Data (National Assessment of Educational Progress)

- Provides state results of the national assessment in mathematics and reading every other year in grades 4 and 8

Bridgeport-Spaulling Community Schools

2015-2016 Annual Education Report

Carol Selby, Superintendent

Review the table below listing our schools. For the 2016-17 year, no new Priority or Focus schools were named; some Priority or Focus schools did exit their status because they met the exit criteria. New Reward schools were identified using school rankings and Beating the Odds information. A Focus school is one that has a large achievement gap between the highest and lowest achieving 30% of schools. A Priority school is one whose achievement and growth is in the lowest 5% of all schools in the state. A Reward school is one that has achieved one or more of the following distinctions: top 5% of schools on the Top-to-Bottom School Rankings, top 5% of schools making the greatest gains in achievement (improvement metric), or "Beating the Odds" by outperforming the school's predicted ranking and/or similar schools. Some schools are not identified with any of these labels. In these cases no status label is given.

School Name	Status Label	Key Initiative to Accelerate Achievement
Bridgeport High School	None	Blueprint for Rapid Turnaround, Data-Driven Instruction, PBIS, MTSS, Research-based Teaching Strategies, PLC's
Martin G. Atkins Middle School	None	Same
Martin G. Atkins Elementary	Priority School	Same
Thomas White Pre K-1	None	Same

Congratulations to our staff and students for completing another rigorous year. We understand that there is room for improvement in all subject areas, and have been working collaboratively towards improved teaching and learning. An important initiative included partnering with the MI excel Statewide Systems of Support to implement the research-based Blueprint for Rapid Turnaround. We continue to work strategically to improve academic growth for all students in grades K-12. We encourage you to join us by getting involved in some of the activities we offer in our schools.

Sincerely,

Carol W. Selby, Superintendent
